

## **Short Term Working Capital Loans**

### **Get cash for any business need**

We offer Short Term Working Capital Loans which are perfect for business owners requiring cash quickly. These are real loans which help build up business credit and are less expensive than merchant cash advances or invoice factoring. The most common uses for short term working capital loans are to: buy inventory, test a new marketing campaign, add employees, resolve emergencies or take advantage of an immediate opportunity in the market.

#### **Key points about the loan include:**

- Capital available from: \$5,000 to \$250,000
- Term: 3 - 24 months
- Fast approval in hours and funding within 2 days
- Simple 1 page credit application
- Fixed daily payback (no variable payments), deducted via ACH each work day

#### **Customer minimum qualifications:**

- Only 1 year time in business
- 500 FICO credit score of owner
- Must have commercial location
- Yearly sales revenue of \$100,000+  
(average monthly bank deposits should be \$8,300)
- A past bankruptcy must be at least 2 years old

This is a great program for getting cash very quickly and easily for any business with an immediate need. Much faster than any bank loan and with more flexible criteria which most businesses are able to meet. To apply for approval please submit a credit application and your current last 3 months business bank statements (all pages) and we will update you within 24 hours.
